Volunteer Appreciation Dinner

The Good Samaritan Health and Wellness clinic hosted its volunteer dinner in the First United Methodist Church’s Fellowship Hall in Fulton, Ky on Feb 4. Over 60 volunteers were present at the dinner. The volunteers enjoyed a dinner catered by Alyssa Cherry. This year was the first year that there were 3 recipients of the Mary Russell award. An award that was created as a way to honor the memory of Mary Russell, who was instrumental in establishing the center. Among the recipients were Judy Green, Gigi Milner and Ann Elliot. Following the dinner, the Board of Directors met and held elections. Congratulations to our new Vice-President Bill Smith! All other positions remained the same.

Woodmen of the World Donation

The local chapter of Woodmen of the World donated $250 to the Good Samaritan Health and Wellness Center. This donation will help in getting needed supplies for the clinic. A big thank you to Woodmen of the World!
Volunteer Spotlight- Meet Tabitha Hughey

Tabitha Hughey is one of the newest volunteers at the Good Samaritan Health and Wellness Center! In an interview, we learned a lot about our newest volunteer. Tabitha has lived in various parts of the south including Louisiana and Mississippi. Tabitha has a vast experience in the medical field, including work in neurology and home-health. Among her various works, Tabitha proclaimed Oncology to be her passion. Tabitha has 13 years of radiation oncology and medical oncology experience.

Tabitha says that her finding out about the Good Samaritan Health and Wellness Center was “meant to be.” Tabitha read about the clinic when someone randomly gave her the local paper. She saw an article about the clinic and immediately wanted to get involved.

Tabitha is currently finishing up a double masters in Health Care Administration and Nursing. Tabitha is a wife and mother, which keeps her busy. The clinic is so blessed and thankful to have her on our volunteer team!
